Measures to prevent terrorists from acquiring weapons of mass destruction

The General Assembly,

Recalling its resolution 58/48 of 8 December 2003,

Recognizing the determination of the international community to combat terrorism, as evident in relevant General Assembly and Security Council resolutions,

Deeply concerned by the growing risk of linkages between terrorism and weapons of mass destruction, and in particular by the fact that terrorists may seek to acquire weapons of mass destruction,

Taking note of Security Council resolution 1540 (2004) on the non-proliferation of weapons of mass destruction, adopted on 28 April 2004,

Noting the support expressed in the Final Document of the Thirteenth Conference of Heads of State or Government of Non-Aligned Countries, which was held in Kuala Lumpur from 20 to 25 February 2003,[1] and in the Final Document of the Fourteenth Ministerial Conference of the Movement of Non-Aligned Countries, which was held in Durban, South Africa, from 17 to 19 August 2004, for measures to prevent terrorists from acquiring weapons of mass destruction,

Noting also that the Group of Eight, the European Union, the Regional Forum of the Association of Southeast Asian Nations and others have taken into account in their deliberations the dangers posed by the acquisition by terrorists of weapons of mass destruction, and the need for international cooperation in combating it,

Acknowledging the consideration of issues relating to terrorism and weapons of mass destruction by the Advisory Board on Disarmament Matters,[2]

Taking note of resolution GC(48)/RES/11, adopted on 24 September 2004 by the General Conference of the International Atomic Energy Agency at its forty-eighth regular session,[3] and the setting up of an Advisory Group on Security in the Agency to advise the Director General on the Agency's activities relating to nuclear security,

Taking note also of the report of the Policy Working Group on the United Nations and Terrorism,[4]

Taking note further of the report of the Secretary-General,[4] submitted pursuant to paragraphs 2 and 4 of resolution 58/48,[5]

Mindful of the urgent need for addressing, within the United Nations framework and through international cooperation, this threat to humanity,

Emphasizing that progress is urgently needed in the area of disarmament and non-proliferation in order to help to maintain international peace and security and to contribute to global efforts against terrorism,

1. *Calls upon* all Member States to support international efforts to prevent terrorists from acquiring weapons of mass destruction and their means of delivery;

2. *Urges* all Member States to take and strengthen national measures, as appropriate, to prevent terrorists from acquiring weapons of mass destruction, their means of delivery and materials and technologies related to their manufacture, and invites them to inform the Secretary-General, on a voluntary basis, of the measures taken in this regard;

3. *Encourages* cooperation among and between Member States and relevant regional and international organizations for strengthening national capacities in this regard;

4. *Requests* the Secretary-General to compile a report on measures already taken by international organizations on issues relating to the linkage between the fight against terrorism and the proliferation of weapons of mass destruction, to seek the views of Member States on additional relevant measures for tackling the global threat posed by the acquisition by terrorists of weapons of mass destruction, and to report to the General Assembly at its sixtieth session;
